About Us

Dixon Chamber & Main Street (Discover Dixon) works to grow Dixon by advocating for our business members and by giving them a voice in local decision-making. We also organize and host community events to enhance the quality of life for the people and businesses in Dixon and the surrounding areas. The City of Dixon also contracts us to promote Dixon as a place to visit. Through this partnership, we've enhanced Dixon's brand presence throughout the Northern Illinois area while also promoting the cultural, economic, and cultural aspects of our region.
